Energy

Environmental Organisations in Australia

Author: Cécile Troussel

August 2010

Summary

- AUSTRALIA Organisations 3**
 - Climate Groups 4
 - Networks 10
 - Renewable Energy groups 11
- ACT Organisations 15**
 - Climate Groups 16
- NSW Organisations 18**
 - Climate Groups 19
 - Networks 27
 - Renewable Energy groups 28
- QLD Organisations 32**
 - Climate Groups 33
- SA Organisations 36**
 - Climate Groups 37
 - Networks 39
- TAS Organisations 40**
 - Climate Groups 41
- VIC Organisations 43**
 - Climate Groups 44
 - Networks 56
 - Renewable Energy groups 58
- WA Organisations 60**
 - Climate Groups 61
 - Renewable Energy groups 63

AUSTRALIA

Climate Groups

- **WWF-Australia**

Goal:

WWF is the world's largest and most influential conservation organisation. In Australia, their goal is to conserve the nation's biodiversity. The teams work on the ground with local communities and in partnership with government and industry, advocating change and effective conservation policy.

Contact management details:

- Sydney (head office):

Level 13, 235 Jones St
Ultimo NSW 2007
PO Box 528
Sydney NSW 2001

Phone: +61 2 9281 5515

Fax: +61 2 9281 1060

- Melbourne:

Level 1, 288 Russell St
Melbourne VIC 3000

Phone: +61 3 9669 1300

Fax: +61 3 9650 78

- **GreenPeace**

Goal:

Greenpeace is an independent campaigning organization that uses non-violent direct action to expose global environmental problems and to force solutions which are essential to a green and peaceful future. Greenpeace's goal is to ensure the ability of the earth to nurture life in all its diversity.

Contact management details:

Address

Level 2, 33 Mountain Street
Ultimo NSW 2007
Australia

Email

support@au.greenpeace.org

Phone

Reception phone number is +61 (0)2 9281 6100

Or 1800 815 151 (office hours are 9am-5pm, EST, Monday – Friday)

Fax: +61 (0)2 9280 0380

- **Climate Action Network Australia (CANA)**

Goals

All the groups are working on action on climate change. CANA initiates, facilitates and coordinates collaborative efforts by member groups in order to strengthen and maximize their collective contribution towards climate action at both a national and international level.

Contact management details

Nina Hall (National Coordinator)

Email: nina@cana.net.au

Phone: 0415 750 957

Web: <http://www.cana.net.au/>

- **Australian Climate Justice Program (ACJP)**

Goals

This program campaign for climate protection. ACJP is based at Climate Action Network Australia and was launched in 2003. Since this date they have executed and supported a range of successful legal actions and many other independent legal actions have been taken.

Contact management details

Keely Boom,

Legal Officer, ACJP

Email : keely@cana.net.au

CANA - Australian Climate Justice Program

Level 13, 235 Jones St

Ultimo NSW 2007

- **GetUp**

Goals

GetUp aims to build an accountable and progressive Parliament, a Parliament with economic fairness, social justice and environment at its core.

Contact management details

Address

PO Box A105

Sydney South, NSW, 1235

Email: info@getup.org.au

- **Australian Conservation Foundation**

Goals

ACF follows different objectives, all related to the environment protection:

- Work towards a society which protects, sustains and restores the environment
- Stimulate public and political discussion of ideas and actions for the environment
- Strengthen the organization
- Broaden and strengthen the environment movement

Contact management details

Melbourne (Head office)

Address

First Floor 60
Leicester St Carlton
VIC 3053

Phone

Ph: (03) 9345 1111 or 1800 332 510 [free call]

Fax: (03) 9345 1166

- **EarthWatch Institute**

Goals

The EarthWatch Institute works to promote actions for a sustainable environment.

Contact management details

Address

126 Bank Street
South Melbourne
Victoria 3205
AUSTRALIA

Phone: +61 (0)3 9682 6828

Fax: +61 (0)3 9686 3652

- **Australian Youth Climate Coalition**

Goals

The Australian Youth Climate Coalition's mission is to build a generation wide movement to solve climate change before it is too late.

Contact management details

Address: Level 6, 620 Bourke Street, Melbourne, VIC, 3000

Email: ellen.sandell@youthclimatecoalition.org

Web: <http://www.aycc.org.au/>

- **Friends of Earth Australia (FOEA)**

Goals

FOEA aims to protect and preserve the earth from human activities and negligence, to increase public participation and to promote environmentally sustainable development on the local, national, regional and global levels.

Contact management details

Cam Walker

Email: cam.walker@foe.org.au

Phone: 0419 338 047

Fax: (03) 9416 2081

Address

Office: 312 Smith Street Collingwood

PO Box 222, Fitzroy, VIC, 3065

Web: <http://www.foe.org.au/>

- **Planet ARK**

Goals

Planet ARK aims to work with people and business to teach them the simple ways in which they can reduce their impact on the planet, at home, at work and in the community.

Contact management details

Sydney office

Address: Level 2, 15-17 Young St, Sydney NSW 2000

Phone: 02 8484 7200

Fax: 02 8484 7222

Web: <http://planetark.org/>

- **Total Environment Centre (TEC)**

Goals

TEC has been campaigning for environment protection in the city and country, changing government policy, advising the community and challenging business since 1972. The TEC is focusing on the protection of the environment and the active promotion of sustainable systems and technologies.

Contact management details

Jeff Angel (Executive director)

Email: jeff.angel@tec.org.au

Phone: (02) 9299 5680 or (02) 9261 3437

Address

Level 4, 78 Liverpool Street,

Sydney. Australia. 2000

PO Box A176

Sydney NSW 1235

Web: <http://www.tec.org.au/home>

- **Sustainability magazine**

Goals

Sustainability: Australia's Future is a unique platform for organizations, associations, councils, and federal and state government departments to provide an overview of leading services, solutions, research and technology capable of securing a sustainable future.

Contact management details

Email: palamedia@palamedia.com.au

Phone: +61 2 9004 8600

Address

Palamedia Limited

Level 2, 22 Pitt St

Sydney NSW 2000

Web: <http://www.sustainabilitymagazine.com.au/>

- **Enviro-geek**

Goals

The group is following different goals:

- To act as a network for knowledge and skill sharing for community-, social justice-, and environment-minded geeks.
- To forward all technical aspects of community, social justice, and environment movements in regards to information technology.
- To provide web-presence support to not-for-profit community, social justice, and environment focused organizations.

Contact management details

Email: Contact form on their website

Web: <http://www.enviro-geek.net>

- **Climate Camp**

Goals

The group aims to stop the expansion of Australia's old coal mines.

Contact management details

Email: info@climatechangecamp.org.au

Web: <http://climatecamp.org.au/>

- **Crisis Coalition**

Goals

The group works to raise awareness of the real reality of a planet in Crisis.

Contact management details

Email: info@planetextinction.com

Web: www.planetextinction.com

Networks

- **A climate for change**

Goals

Their goal is to create a space where people from all over Australia & the World can connect and share their experiences of climate change.

Contact management details

Web: <http://www.aclimateforchange.org/>

- **The Australian Climate Change Education Network**

Goals

ASCENT seeks to empower people, providing practical ways for everybody to get involved. The group also runs a number of awareness and action programs in schools and universities as well as participating in community events and activities. They also aim to maintain climate change as a primary issue on the national agenda and encourage the government and business sector to reduce emissions.

Contact management details

Email: contactascent@gmail.com

Web: <http://www.ascent.org.au/index.html>

- **Zero Emission Network**

Goals:

The Zero Emission Network supports the global campaign to reduce humanity's net greenhouse gas emissions to zero and below as fast as possible, with the view to reducing atmospheric greenhouse gases to a level that will enable humanity and our natural environment to thrive and flourish.

Contact management details:

Adrian

Email: adrian@zeroemissionnetwork.org.au

Phone: 0403 735 118

Web: <http://www.zeroemissionnetwork.org/>

Renewable energy groups

- **Alternative Technology Association**

Goals

ATA works to overcome the barrier that prevent or slow down the uptake of sustainable technologies. The ATA is promoting sustainable technology and practice. The ATA provides services to members who are actively walking the talk in their own homes by using good building design, conserving water and using renewable energy.

Contact management details

ATA National Office

Email: ata@ata.org.au

Address: Level 1, 39 Little Collins St Melbourne VIC 3000

Ph: (03) 9639 1500

Fax: (03) 9639 5814

Damien Moyse (Energy Project and Policy manager)

Email: damien@ata.org.au

Ph: (03) 9631 5417

Web: <http://www.ata.org.au/>

- **Australian Solar Energy Society (AuSES)**

Goals

The Society works to

- Promote research, development and adoption of solar energy and other complementary low emissions technologies;
- Promote research into and use of solar energy in building design;
- Compile and disseminate information on solar and complementary low-emissions technologies and their utilization;
- Promote public understanding and adoption of practices, technologies and systems for the use of solar energy and energy efficiency;
- Advocate for the adoption by all levels of government of appropriate policies and programs to promote use of solar energy.

Contact management details

John Grimes (Chief Executive officer)

Email: CEO@auses.org.au

Phone: +61 4 0010 2396

Address

PO Box 148 Frenchs Forest NSW 1640

Web: <http://www.auses.org.au/>

- **Clean Energy Council (CEC)**

Goals

The CEC is the peak body representing Australia's clean energy and energy efficiency industries. They work to create the optimal conditions in Australia to stimulate investment in the development and deployment of world's best clean energy technologies, to develop effective legislation and regulation to reduce energy demand and improve its efficiency use and to reduce costs and remove all other barriers to accessing clean energy.

Contact management details

Email: info@cleanenergycouncil.org.au

Address

Suite 201

18 Kavanagh St

Southbank VIC 3006

Ph: + 61 3 9929 4100

Fax: + 61 3 9929 4101

Web: <http://www.cleanenergycouncil.org.au/cec/home.html>

- **Renewable energy & energy efficiency partnership (REEEP)**

Goals

The South-East Asia and Pacific Regional Secretariat is hosted by the Australian Clean Energy Council. The REEp works to promote access to reliable clean energy services for developing countries and countries in transition in the region. The Secretariat also acts as a clearing house for best practice in policy and finance to promote renewable energy and energy efficiency, and a service centre to support its partners in making renewable and energy efficient power a reality.

Contact management details

Address:

REEEP Regional Secretariat South East Asia and Pacific
Clean Energy Council
Suite 201, level 2
18 Kavanagh Street
Southbank VIC 3006
Australia

Email: eva.oberender@reeep.org

Phone: +61 3 9929 4100

- **100% renewable energy**

Goals

100% renewable cworks to win the policy demand of a feed in tariff for all renewable technologies at all scales as the first step towards 100% renewable and to build the power, size and influence of the community movement for clean energy.

Contact management details

Lindsay Outar

Email: lindsay@100percent.org.au

Phone: 0411 098 853

Jenny Curtis

Email: jenny@100percent.org.au

Phone: 0405 031 781

Web: <http://www.100percent.org.au/front>

- **Green Electricity Watch**

Goal:

Green Electricity Watch was established in 2002, and is a coalition of three leading Australian environment organizations: the Australian Conservation Foundation, Total Environment Centre, and WWF-Australia. GEW is conducted surveys to establish a ranking of the electricity retailers who offer GreenPower.

Contact management details:

Address

Level 4, 78 Liverpool Street
Sydney. Australia. 2000
Mail: PO Box A176
Sydney South. Australia. 1235

Phone

telephone: (02) 9261 3437
fax: (02) 9261 3990
Web: <http://www.greenelectricitywatch.org.au/>

- **Standby Saturday**

Goals

The group campaigns to stop energy wastage.

Contact management details

Email: marcel@standbysaturday.com.au

Phone: 0408 586 436

Web: <http://www.standbysaturday.com.au/index.htm>

Australian Capital Territory

Climate Change

- **Climate Action Canberra**

Goal:

They aim to act as a hub for information and an entry point for people to facilitate their productive engagement in climate change issues. They want to do what they can to help other activists and groups that are involved with this issue

Contact management details

Email: climateactioncanberra@gmail.com

Phone: 0422 913 165 (Anne) or 0421 283 825 (Leigh)

Web: <http://climateactioncanberra.wordpress.com/>

- **Climate Recovery Coalition-Canberra**

Goal:

They aim to create a coalition of individuals and groups supporting climate change initiatives, actions, events and education in the ACT.

Contact management details

Email: campaign@consact.org.au

Address: 17 Childers St, ACTON

Mail: GPO Box 544, Canberra ACT 2601

Phone: 02 6229 3200

Fax: 02 6248 5343

Web: <http://www.consact.org.au/index.php>

- **SEE-Change**

Goal:

They work to stimulate local action aimed at 'healthy people on a healthy planet'.

Contact management details

Naomi Wynd (Executive Officer)

Email: office@see-change.org.au

Phone: 02 6162 2320

(Monday-Thursday)

Anne Clarke (Admin Officer)
Email: office@see-change.org.au
Phone: 02 6162 2320
Wednesday and Friday

Mail: PO Box 7025 Watson ACT 2602

Web: <http://www.see-change.org.au/>

NEW SOUTH WALES

Climate change

- **Australian Religious Response to Climate Change**

Goals

ARRCC is an interfaith organisation that aims to support faith communities across Australia to take practical action on climate change, through education, practical projects and campaigning.

Contact management details

Email: online form on their website

Ph: 02 8239 6299

Fax: 02 9283 8154

Address: Level 15/ 179 Elizabeth St Sydney NSW 2000

Web: <http://www.arrcc.org.au/>

- **Rising Tide Australia**

Goals

Rising Tide Australia works to take action against the causes of climate change and for equitable, just, effective, and sustainable solutions to the crisis.

Contact management details

Email: risingtide@risingtide.org.au

Phone: (+61) 0437 275 119

Mail: PO Box 290 Newcastle, 2300

Web : <http://www.risingtide.org.au/>

- **UNSW environment collective**

Goals

A bunch of students who campaign and conduct projects aimed at making a greener world on and off campus.

Contact management details

Email Ben Noone (Co-convenor 2010): b.noone@arc.unsw.edu.au

Email Nicola Karcz (Co-convenor 2010): n.karcz@arc.unsw.edu.au

or Email: enviro@arc.unsw.edu.au

Phone: 0423382462

Web : <http://unsw.envirocollective.com>

- **Sydney Uni Environment Collective**

Goals

The Sydney Uni Environment Collective is a group of like-minded students who are concerned about the environment and engage in activities that benefit the environment both on and off campus.

Contact management details

Email: info@studentsofsustainability.org

Web: <http://www.studentsofsustainability.org/>

- **Climate Rescue of Wagga**

Goals

Climate Rescue of Wagga aims to educate the public, lobby politicians and encourage change for climate action.

Contact management details

Stephen James (Secretary)

email: info@crow.org.au

ph.02-6971 7832

Web: <http://www.crow.org.au/>

- **Climate Change Balmain-Rozelle**

Goals

A community climate action group for residents of the Balmain, Rozelle and Lilyfield areas

Contact management details

Email: cbrmail@aapt.net.au

Phone: 02 9818 6718

Mail: PO Box 890, Rozelle NSW

Web: <http://www.climatechangebr.org/>

- **Climate Action Newtown**

Goal

The CAN works to educate and activate the local community about the climate crisis and the solutions that exist now. They believe Australia needs to take urgent steps to reduce greenhouse gas emissions and transition our economy to a low carbon future based on 100% renewable energy.

Contact management details

Email: climate.action.newtown@gmail.com

Phone: 0411 098 (Lindsay) or 0420 504 411 (Moir)

Web: <http://climateactionnewtown.org/>

- **Clean Energy for Eternity**

Goal

The CEFE works to:

- see everyone in the electorate engaged in a conversation about clean energy issues once a week.
- raise the level of community knowledge & enable access to reliable information about clean energy issues.
- Promote & stimulate relevant bodies to take appropriate action to reduce energy use and develop local clean energy generation projects.
- Ensure that voters are informed on candidates' policies on clean energy for each election.

Contact management details

Email: enquiries@cleanenergyforeternity.net.au

Phone: (02) 6492 6492 0505 or 0429 828 412

Address: 91 Gipps St Bega, NSW 2550

Web: www.cleanenergyforeternity.net.au

- **The Ryde Gladesville Climate Change Action Group**

Goal

Their aim is to call on governments to:

- Cut our greenhouse gas emissions by 60% by 2020, 90% by 2030, and to zero by 2050, when measured against 1990 levels
- Set a 100% renewable energy target for 2020
- End Australian dependence on coal by 2030

Contact management details

Email: info@climatechangers.org

Phone : 0414 375 149 (Jo Spangaro)

Mail: PO Box 2064 Boronia Park 2111 NSW

Web : <http://climatechangers.org/>

- **Friends of the Earth Sydney**

Goal:

Friends of the Earth Sydney working for a socially equitable and environmentally sustainable future.

Contact management details

Email: holly.creenaune@foe.org.au

Phone: 0417 682 541

Adam Wolfenden

Email: adamwolf@riseup.net

Phone: 0401 045 536

Web: <http://www.sydney.foe.org.au/about-friends-earth-sydney>

- **Drummoyne Climate Action Group**

Goal:

The group works to:

- Stop climate change
- No new coal
- No nuclear
- Wind and solar now

Contact management details

Email: paulhanly@hotmail.com

Web: <http://www.drummoyneclimateaction.org/>

- **Lake Macquarie Climate Action**

Goal:

The LMCA works to help build local awareness of climate change issues and actions we can take to help prevent runaway climate change.

Contact management details

Email: mail@lmca.org.au

Phone: (02) 4973 1363

Address: 600 Pacific Hwy, BELMONT NSW 2280

Web: <http://www.lmca.org.au/>

- **Climate Action Newcastle**

Goal:

The CAN mission is to secure clean energy/low carbon future for the Hunter to contribute to a sustainable future for all.

Contact management details

Ph/Fax: (02) 8588 1260

Email: can@climateaction.org.au

Mail: PO Box 2359 Dangar NSW 2309

Web : <http://www.climateaction.org.au/>

- **Climate Change Australia**

Goal:

The group works to educate the public about climate change, encourage energy and water conservation, encourage the use of renewable energy, and encourage all levels of government to take climate change more seriously

Contact management details

In the Manning Valley

Phone: 02 6553 9727 Tony Doherty

Email: adoherty@ceinternet.com.au

Email: clarenceclimate@yahoo.com.au

In the Hastings Valley

Email: harry.creamer@hotmail.com

Mail: PO Box 2389, Port Macquarie NSW 2444

Web: <http://www.climatechangeaustralia.org/>

- **Coffs Harbour Climate Action Group**

Goal:

Their goal is to achieve actual reduction of GHG emissions in their region by engaging as many people as possible in the discussion and inspire to action.

Contact management details

Email: info@coffsclimateactiongroup.org.au

Web : www.coffsclimateactiongroup.org.au

- **Bellingen Climate Action Group**

Goal:

This group works to carry out positive and effective grassroots action towards a future that is safe, clean and supportive in the Bellingen area.

Contact management details

Email: info@ecobello.org.au

Web: www.ecobello.org.au

- **Plug in Australia**

Goal:

Their aim is to alert Australia to the need to stop burning fossil fuels in our transport.

Contact management details

Email: enquiries@plug-inAustralia.org

Tel: 02 6687 2244

Address: PO Box 264, Bangalow, NSW 2479

Web: <http://plug-inAustralia.org>

- **North Coast Climate Action Group**

Goal

he group started with GreenPower and energy efficiency education for householders and the commercial sector in Byron Shire. This is continuing along with other activities that reflect both the groups expansion and diversity of interests. We are developing an education program for schools. A working group is also coordinating our political lobbying for elections.

Contact management details

Email: info@nccag.org

Phone: (02) 6684 2272

Address: Byron Bay/Mullumbimby, NSW 2481

Web: <http://www.nccag.org/>

- **Berry FutureCare**

Goal

The group works to:

- Build on existing community initiatives and networks;
- Set up a "Clearing house" to share information on the environment;

Contact management details

Email: futurecare@optusnet.com.au

Phone: (02) 4464 3241

Address: c/o 35 Housten Place, Berry, NSW 2535

Web: <http://berryfuturecare.zoomshare.com/0.html>

- **Climate Action Now! Wingecarribee (CANWin)**

Goal

CANWin is working to engage with the local community in its efforts to minimize climate change and prepare for the effects of peak oil.

Contact management details

Email: secretary@canwin.org.au

Phone: 0403 790 777

Mail: P.O. Box 1193, Bowral, NSW 2576, AUSTRALIA

Web: www.canwin.org.au

- **Wodonga and Albury Towards Climate Health (WATCH)**

Goal

Their aim is to communicate with people in positions of influence to encourage them to take urgent and appropriate action to address climate change.

Contact management details

Email: contact@watch.id.au

Web: <http://www.watch.id.au/>

- **ECCO Orange**

Goal

ECCo works to :

- act as an environmental watchdog and a peak environmental lobby group for the community of Orange ;
- create awareness of environmental issues affecting Orange and its surrounding area ;
- facilitate cooperation and exchange of information and resources between existing conservation, landcare and similar groups ;
- to liaise with regional, state and national environment and conservation bodies ;
- to influence and assist Orange City Council with respect to its environmental and sustainability policies and plans ;
- be an independent advocate for the environment, and sustainable development in Orange.

Contact management details

Email: ecco.orange@gmail.com

Mail: PO Box 1582, Orange NSW 2800

Phone: Neil Jones (President) 0419 224 461

Web: <http://www.eccorange.org.au/index.html>

- **Nature Conservation Council of NSW**

Goal

Their goal is to protect the natural environment.

Contact management details

Email: ncc@nccnsw.org.au

Phone: 02 9516 1488

Fax : 02 8026 8301

Mail: PO Box 137 Newtown NSW 2042

Web: <http://nccnsw.org.au/index.php>

Networks

- **Bathurst Community Climate Action Network**

Goal

Bathurst Community Climate Action Network is a network of individuals and organizations that work together to promote action on climate change, sustainable and equitable development.

Contact management details

Bob Hill (Secretary)

Email: bhill@csu.edu.au

Phone: 6366 3186

Web: <http://bccan.org.au/>

- **Wollongong Climate Action Network**

Goal

Their aim are:

- To encourage, enable and involve people to take action both individually and collectively.
- To exert political influence at all levels of government to take action on Climate Change.
- To put Climate Change on business and community group agendas.

Contact management details

Rowan Huxtable

Web: <http://parracan.org/>

Renewable Energy groups

- **Sydney Energy Cooperative**

Goals

The aim of the Sydney Energy Cooperative is to involve the general community in energy related activities.

Contact management details

Email : enquiry@energycoop.com.au

Phone : 02 9557 1648

Fax : (02) 8569 1097

Address : 18-26 Faversham St Marrickville NSW 2204

Web: <http://www.energycoop.com.au/content/index.php>

- **Sutherland Climate Action Network**

Goal:

The groups works to raise awareness and to take action to reduce greenhouse pollution in Sutherland Shire.

Contact management details

Jonathan Doig (group convenor)

Email: jon@doig.net

Phone: 0409 049185

Northern Territory

Climate groups

- **COOL mob**

Goal:

They aim to reduce greenhouse gas emissions through:

- improved home energy efficiency
- reduced car usage
- reduced water consumption
- reduced waste going to landfill

Contact management details

Darwin, Robin Knox (Project Manager)

Email: coolmob@ecnt.org

Phone: 08 8981 2532

Alice Springs, Kat Taylor (Project Officer)

Email: dka.coolmob@coolmob.org

Phone: 08 8952 0299

Web: www.coolmob.org

- **Climate Action Darwin**

Goal:

Their objective, as part of a national Community Climate Network, is to address climate change through community engagement and political mobilisation, for all people, all species and all generations

Contact management details

Email: climate@climateactiondarwin.org

Mail: Climate Action Darwin c/o ECNT GPO Box 2120 Darwin Northern Territory 0801

Web: <http://www.climateactiondarwin.org/>

- **Top End Transition**

Goal:

They are connecting local people with ideas, vision and action to move from oil dependency to sustainable communities.

Contact management details

Email: topendtranstion@gmail.com

Web: <http://topendtransition.groupsite.com/main/summary>

QUEENSLAND

Climate Groups

- **Friends of the Earth Brisbane**

Goal:

They are working towards the creation of an ecologically sustainable and socially just society through community action.

Contact management details

Email: office@brisbane.foe.org

Phone: (07) 3846 5793

Fax: 07 3846 4791

Mail: PO Box 5702 West End, Brisbane, QLD 4101

Web: <http://brisbane.foe.org.au/>

- **UQ Climate for Change**

Goal:

This group works to raise awareness and generate action on issues of environmental sustainability, and most urgently, on climate change.

Contact management details

Email: uqclimateforchange@googlegroups.com

Web: <http://brisbane.foe.org.au/>

- **Sustainable Jamboree**

Goal:

The group seeks to:

-Respond to community concern about impending climate change, environmental degradation, and loss of biodiversity by

-Respond to community anxiety, loss of community interconnectedness, and other social concerns through stronger integration of societal issues with regional planning and development initiatives.
